PARTS VIEW

** Upon removing the hub cap, the new PreSet PLUS spindle nut looks distinctly different and is contained in the hub. For all the service information please see the ConMet Service manual FKH-SER-0021

37a

PreSet Plus Spindle Nut System

ConMet's patented integrated nut system significantly improves wheel end clamp load, makes installation easier, aids in removal of the hub and provides improved safety features.

1 ltr of SYNTHETIC SEMI FLUID GREASE MOBILITH SHC007

Part Number: **133680-1L**

Note: Check service information for correct fill volume.
